# PRESIDENT'S MESSAGE

Welcome October! It is the month that we start to see our southern migration begin (increasing numbers of members who are present in Hunters Ridge). I want to highlight something that will be happening this Fall. We are planning to finalize the update of our foundational documents and members will be called upon to vote on the update.

Background: Our HOA's foundational documents include - Articles of Incorporation, Master Declaration, By-Laws and Rules and Regulations.

When I was elected to the Board (almost 2 years ago!) I noticed these documents were NOT consistent with our actual practices and had not been updated in over 10 years. I made it my personal GOAL to bring the documents in line with what we actually DO, as well as update the documents to include our newer assets.

We also have the benefit of new attorneys, who are adding their expertise, bringing the language in the documents into line with best practices and current Florida laws. Of course nothing ever moves as fast as you think it should.

The Update Process: The process began in earnest last fall when I held open meetings to review the documents to get input from members. These meetings were very lightly attended but I want to thank the small group of people who came to help point out the discrepancies and make suggestions on how to bring our documents in line with how the community operates and reduce confusing language.

My bias as we worked through changes was to change the documents to agree with how we do business - so we added in new assets that did not exist when the documents were last reviewed and we tried to simplify areas that caused confusion. This bias to better document the way we do things was reinforced by the member petition submitted in March 2024 where members spoke up to say they were happy with the way things operate. The Board took the member sentiment seriously.

We then submitted the documents to our new legal team in late spring and we expect the latest draft from them very soon - as I mentioned they are making improvements consistent with their knowledge of Florida HOA law and best practices.

To make the updates become part of our actual documents, we will need to have 2/3 of the members agree/"vote to ratify" that these updates are appropriate. That will be your opportunity to review the final proposed changes and vote for your household. The documents will be shared in advance and member meeting will be scheduled.

Stay tuned for this important member activity as we move into our busy season at Hunters Ridge. I personally will be glad when we can say we have documents that match up with our practices and match the way we live... because Hunters Ridge is a great place to live.

# Life is good at Hunters Ridge

We were so fortunate with Hurricane Helene. Luckily, the eye of the storm stayed approximately two hundred (200) miles off the coast of Bonita Springs, keeping the stronger winds and outer rain bands over the Gulf of Mexico. Throughout the storm, we only received a little over three inches (3") of rain. However, our community grounds and golf course turf remain saturated, and the water tables in the Bonita Springs area are still high, as we've received over sixty-seven inches (67") of rain since June! With an average annual rainfall of fifty-six inches (56"), this summer has been quite wet. Unfortunately, our neighbors in downtown Naples, Ft. Myers, and Port Charlotte experienced severe storm surges and flooding, much like what we saw with Hurricane Ian. The sheer power of these storms, with the water, wind, and rain, is both terrifying and catastrophic. We were incredibly lucky!

After a summer of special agronomy care and preparation, we're looking forward to the return of regular hours for our golf course. Due to the wet conditions and Hurricane Helena clean-up efforts, we will be opening the golf course as soon as possible. At that time the golf course and pro shop will be open daily from 7 am to 5 pm. Beginning October 1st, Food and Beverage services will be open daily in the Grill Room and then starting Monday October 14th, lunch will also be served daily at the Club Patio and Ridge Pool Bar.

Social events are back in full swing this month. Join us for the always popular Pasta Night Buffet on Friday, October 11th. Our Oktoberfest Celebration, on Wednesday, October 16th, features the great sounds of Manhattan Connection.

With the music and the buffet Chef Clemente has prepared, this promises to be an event you will not want to miss! Our Annual Halloween Party is on Thursday, October 31st, and the question always is, who is going to come with the best costume? We had some very creative costumes last year! Reservations are strongly requested for all events to ensure our Food and Beverage team can make your experience the best it can be!

If your plans are for you not to return until November, make sure you are back by Saturday November 16 for our big Welcome Back Party. We will be featuring 41 South Band and this is an event everyone will thoroughly enjoy! On the following Wednesday November 20, we have a Party on the Club Patio featuring the Duo of Randy and Brad. A great time will be had by all! The following week Chef Clemente will be preparing an unbelievable Thanksgiving Day feast you won't want to miss!

Hunters Ridge is also excited to offer NFL Sunday Ticket! Watch your favorite teams every Sunday at 1 pm in the Grill Room, with reservations available now. Starting Sunday, October 20th, enjoy games at 1 pm and 4 pm at the patio bar as well. Don't miss a play of your favorite team this season!

This season promises to be our best yet! Mark your calendars for the Harvest/Oktoberfest Dinner Dance on Wednesday, October 16th, and let's make it an unforgettable season! As always, if there is anything we can do for you, please do not hesitate to let us know. We are here to serve you as life continues to be good at Hunters Ridge!

Dear Hunters Ridge Members,

I hope this message finds you well! As we wrap up what has been a wet yet wonderful summer at Hunters Ridge, I wanted to take a moment to reflect on the season and share some exciting updates with you.

First and foremost, I'm thrilled to announce that our pro shop is nearly fully stocked with all-new merchandise! We've curated a selection that I believe you'll love, and I can't wait for you to come in and check it out. Whether you're looking for the latest gear or something special to commemorate your time at Hunters Ridge, I'm confident you'll find it here.

We also had a fantastic Labor Day scramble this year! It was a great success, filled with laughter and camaraderie. Thank you to everyone who participated; it truly was a wonderful time. Now, we're eager to kick off our league events for the season, and I can't wait to see everyone out on the course!

This summer also marked our first annual Hunters Ridge member trip, and what an adventure it was! We had an incredible time at Streamsong, enjoying the beautiful courses and great company. I'm already looking forward to next year's trip, which will feature a surprise destination that I know you'll be excited about!

Thank you for being such an integral part of our community. Your support makes all the difference, and I can't wait to see you around the club as we transition into season at Hunters Ridge.
