PRESIDENT'S MESSAGE

Hunters Ridge has been so fortunate to have long-term continuity of our key staff members who go above and beyond for our members. For anyone who has ever run a business you know that staff turnover can drive extra expense when you are hiring and training due to turnover, so long-term staff retention has helped keep our fees low.

Our membership's outpouring about Rob's departure is a good reminder that the majority of our members are happy with their experience at Hunters Ridge and they see that our satisfaction and happiness results from our employees who continue to go above and beyond.

We are all sad to see Rob leave us after 31 years. We know he will do well in all his future endeavors because Rob's work ethic is amazing and his interpersonal skills made us all feel special. 31 years of keeping our golf community active and happy is no small feat. Rob has left big shoes to fill. The Board is in the process of working on the solution to that hole in our line-up and we all wish him the best.

As Board members, we are often approached by members to address things someone would like changed or problems noticed. That is the most typical way things occur... but in February the Board actually received positive direction from members who wanted Hunters Ridge to maintain the things that the members cared about. It felt great to hear that a majority of members felt so positive about their experience at Hunters Ridge that they went out of their way to tell the Board what they valued most and our long-term employees were a big part of the list.

For those who can't always attend Board meetings, during February's meeting, the Board received a petition signed by 305 of our 558 homes. The petition was in favor of maintaining our way of life and the long-term employment of our key employees. The petition was collected during a week and a half and represented an outpouring of member support for all our employees and specifically called out Rob and Don as two who have been key to our well run HOA and Country Club. For anyone who has ever carried a petition it was an impressive result to have so many sign so quickly. The meeting was an amazingly positive experience for the Board and audience.

I want to let everyone know that the Board is listening. Giving the Board that petition was a clear indication of what the majority is looking for in your representatives and we hear you and we thank you for sending us such a positive request and for recognizing that our employees are a key reason we all love Hunters Ridge. Keep up the communication - we represent you.

Regards, 
Linda Dworaczyk
Board of Directors President

LIFE IS GOOD AT HUNTERS RIDGE

2024 is off to a good start and thanks to everyone for your participation and support in all of our club events. Even with the unusual cool, cloudy and wet weather conditions we have been dealing with this "season" the golf course is holding up well with the amount of member play we are having. A big "thank you" to Superintendent Jose Garcia and the golf course maintenance staff for their excellent work. Jose will be announcing the summer golf course closures for aerifying, verticutting, topdressing, etc. within the next few days, so please watch for his announcement as you begin to plan your summer vacations.

Who can believe we are already into the month of April? What a busy April we will have! Our golfing events include both the Ladies and Men's season finales, the Hunters Ridge Club Championships, the Hunters Ridge Open and the extremely popular, fun field, two day scramble Bonnie + Clyde Mixer Shoutout. We also have the Ladies and Men's one day Member - Guest events. We wish our players the best of luck and special thanks to our outstanding golf professional staff for putting on so many outstanding golfing events throughout the past several months.

April will also be busy for our Food + Beverage operations with luncheons, dinners and our "season" ending Farewell Party on Friday, April 12th. Join us with "Deb and the Dynamics" that evening for a wonderful time before we begin to say "goodbye" to several of our close friends who are heading north for the summer months. Deb and the Dynamics put on a great show, and with good friends, food and drinks, all are guaranteed to have a spectacular evening. It's one you won't want to miss! Chef Clemente will provide a delicious display everyone will truly enjoy. Please make your reservations with Roberto or Dinorah at your earliest convenience. Another fun filled event will be on Friday, April 26th with the "Party on the Pool" with entertainment and two food trucks! The party will be poolside at the activity center with drinks being provided at the "Ridge" snack bar and food being prepared by two (2) local food trucks. It will be fun!

Beginning Thursday, April 25th we will begin installing the new carpets in the grill room and the main dining room, and also the new dance floor in the main dining room. This will take a minimum of four (4) days to complete so there could possibly be some minor inconveniences during this brief period. We appreciate your understanding and cooperation and look forward to the beautiful enhancements being made to both of these rooms.

April 2024 is going to be a fantastic month at Hunters Ridge – look at all the ways you can enjoy yourself and have some fun. As always, if we can do anything for you, please don't hesitate to let us know. Thank you so much for your wonderful support.

**Thank you,
Don Huprich
General Manager**

Let's go back to July 1992. I drove down to Naples from Crystal River in a silver Oldsmobile Station Wagon in search of a job as a Golf Professional. In those days there were not as many golf courses. After dropping off my resume at Spanish Wells, I drove out and made a right turn onto Bonita Beach Road, which I thought was Route 41. As I am driving, I pass under I-75...I thought I was on 41! Remember, no cell phones for guidance. I drive a little further and see the sign for Hunters Ridge. I really did not know about any golf course that far east. Not much was around except the Waffle House. I made a right and headed down the lane to Hunters Ridge Golf & CC and dropped off my resume. Little did I know the wrong turn out of Spanish Wells would lead me to a golf career of 31 1/2 years at Hunters Ridge.

As I start the next chapter of my life, I would like to thank Hunters Ridge for the wonderful support. There are so many people that have been an inspiration to me and my family. It is bittersweet as I say goodbye to Hunters Ridge. I will miss the friendships with the many members and staff. Take care. My best, Rob "Don't cry because it's over, smile because it happened" – Dr. Seuss

The Month of March was filled with many great golf events. We hope you enjoyed the competitions. We appreciate your participation and support of the golf program.

The 2024 Ladies Member-Guest "Fabulous Florida Foursomes" was a BIG HIT. We had a great field and warm weather with no rain. Thank you for the hard work of the volunteers. We could not have done it without you!

Another great turnout for the Ladies 9-Hole Invitational. This year's theme "Golf is a 3-Ring Circus" was brought to us by Linda Thomas. We had a great field with 124 ladies including 34 from Hunters Ridge. A lot of help and work from the community goes into this event. Thank you to the ladies who volunteered for organizing the registration and selling raffle tickets – Gail DeMaria, Marie Rexroat, Edie Paetow, Nancy Sido, Debbie Cummins, Flo Schall, Jeanne Stadnicki, Anne Finnegan, Ellen Hagan and Judy Roth. Kudos to the strong men of Hunters Ridge who did a great job of lifting bags out of cars and placing them on carts. Lastly, a big thank you to the following ladies who helped with the overall organization of the event, Kathy Sullivan, Pat VanNotti, Carol Doak and Barb Hope. This would not have been a great day without you. Thank you all!

We had the largest field in the history with 60 two-man teams competed in the 2024 Hunters Ridge Men's Member-Guest Classic played in early March. There were many close matches. After the Awards Luncheon, the ten flight winners played a shoot-out. The Shoot-Out was won by Rick Bohne & Rick Bohne II. This popular tournament has a limited field. If you would like to play in the future, please talk with the golf staff. Thank you to all members and guests for your participation and support of the Men's Member-Guest Classic! Hope you will join us again in 2025.

2024 Men's Member-Guest Flight Winners:

- Ballesteros Flight:** Al Adelman & John Glynn
- Faldo Flight:** Andy Rogalski & Erik Rogalski

The Ladies Season Finale for both 9-Holes and 18-Holes will be held on Tuesday, April 3rd. The Men's Season Finale will be held on Wednesday, April 4th. The Format will be a **SHAMBLE** for both Ladies & Men.

Club Championship weekend is on April 6th & 7th for both Ladies & Men. Two (2) days of Stroke Play.

The Hunters Ridge Open will be played on April 10th – 11th. This event gives members an opportunity to experience the five nine-hole match play format used in the Men's Member-Guest. Sign up with a partner from any assigned tee. Your handicaps must be within 18.0 Handicap Index of each other. The field will be limited. Sign up in the Golf Shop.

The popular Bonnie & Clyde Couples Mixer Golf Event is scheduled for April 15th, 16th & 17th. The format is a 2-day scramble. Teams will be drawn at the pairings party dinner in the main dining room on Monday, April 15th, followed by Round One on Tuesday, April 16th and the Final Round on Wednesday, April 17th. An Awards Luncheon will conclude the event on Wednesday Afternoon. This event is a lot of fun and one you do not want to miss!

The reciprocal program will start on May 1st and end October 31st. For golf members who are unfamiliar with the reciprocity program, Hunters Ridge has a program for our members to play golf and dine at area country clubs. Golfing members can play these golf courses for a designated fee. We are very fortunate to have this program and would appreciate you letting these reciprocal country clubs know how much you enjoy the opportunity. The list should be finalized toward the end of April and will be posted in the Golf Shop. Please see the Golf Shop to make tee-times to play golf at the reciprocal clubs.

A few friendly reminders and tips:

1. Post Your Scores Promptly after Your Round. It has been brought to the Golf Staff's attention that some members are not posting scores. It is the player's responsibility to post scores.
2. Fill your divots and fix your ball marks. Plus an extra!
3. DO NOT ENTER the Red Stake with Green Top Preserve Areas.
4. When picking up on a hole, you should estimate what your score would be. Do not automatically take your maximum ESC.
5. Sign up for Men's and Ladies Day before 9 am the day prior to the event. Some formats require the golf staff to organize before the deadline. Please plan accordingly.
6. Enter the Fairway after the Green ENTER Stake and go back to the coquina before the Yellow EXIT Stake.
7. SW Florida summers get extremely hot. The heat can damage shoes, grips and other golf related items. If you have space, store your golf clubs and shoes inside your home while away and these items will last much longer.
8. Golf is a game of integrity. Keeping an accurate score, taking proper drops are just some of the things that make golf more enjoyable for everyone. Please do your part to protect the game will all enjoy!
9. Proper Attire is required on the golf course and practice areas.

Hello Spring

Our Spring weather has arrived and from this time forward the Southwest Florida temperature and humidity are only going to climb. Eighty-five (85) degrees today, feels like 91 degrees, which means one very important thing – hydration! Now is the time we all need to be sure we are drinking plenty of water and drinks that contain electrolytes. Coming off our cooler winter weather, most individuals currently are dehydrated. This has resulted in a few of our members having some heart complications and scares. Upon visiting their physicians, they find out they are just simply dehydrated. It is just critical we are think about hydration and keeping our bodies hydrated. Most athletes know how important it is to stay hydrated especially during the changing of the seasons. Please do your body a favor and make sure you are staying hydrated. You will feel so much better!

ALLIGATOR DATING AND MATING SEASON

For your information, this is the time of the year when alligators are more active because it is their mating season. Please remain cautious particularly in areas near bodies of water. Alligators become more active during this time, and encounters may increase. To ensure everyone's safety, please keep the following precautions in mind:

Stay Alert: Be mindful of your surroundings, especially when near lakes, ponds, or other water bodies where alligators may reside.

Keep Pets Leashed: When walking your pets near water, always keep them on a leash and away from the water's edge.

Avoid Feeding Alligators: Feeding alligators can habituate them to humans and increase the risk of dangerous encounters.

Respect Alligator Habitat: Remember that alligators play a vital role in our ecosystem. Avoid disturbing them or their nests.

By staying informed and cautious, we can ensure the safety of ourselves, our families, and our community during this mating season.

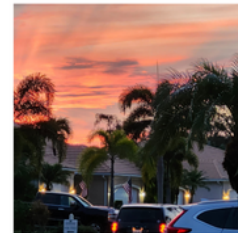

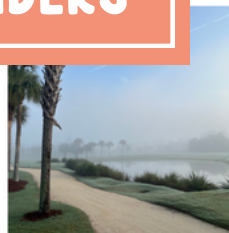

Thank you for your attention to this matter.

HRFC TRIP 3/5/24 RECAP

Yesterday's fishing trip was a great success. We had our limit of Grouper by 11:30 am and then caught an additional 50 good size Snapper. The Snapper came in several different species including Mangrove, Vermilion and Yellowtail. The biggest Grouper of the day was caught by Frank Cassise and measured in at 29 inches but a Shark took a big bite out of it when it was being reeled in. Barbara Kokkotovich joined us on the trip and caught a size nice Grouper and then put on a Snapper catching lesson for the rest of the crew. It was a great day that all of us will remember for a long time.
